

Our goal is to provide an up-to-date Articulation Agreement; however, because undergrad course catalogs change constantly, it is not guaranteed that this information is up to date. If there are any concerns about whether a course will meet the requirements, you may have it reviewed by the Office of Admissions by directing questions about the acceptability of a prerequisite course to [ODadmissions@ketchum.edu](mailto:ODadmissions@ketchum.edu). Paste into the email the following information: which SCCO prerequisite course you are seeking to fulfill, school where the course is offered, how many units (specify semester or quarter), and course description copied from the college or university's online catalog.

Students may apply with prerequisite coursework in progress; however, all prerequisite requirements must be completed before MBKU's fall term begins in mid-August. To be acceptable, prerequisite courses must be completed with a grade of "C-" or better.

**Bachelor's Degree:** A four-year baccalaureate degree is recommended; however, applicants who complete a minimum of 90 semester or 135 quarter units of undergraduate study will qualify for admission. To be eligible to apply, the applicant must be on track to complete the required units within the academic term that precedes Fall matriculation.

**Advanced Placement (AP)** credits for the prerequisites will be accepted as long as the appropriate number of credit hours is awarded. AP credits must appear on your official college transcript as proof that they were acceptable as equivalents by your college or university.

SCCO Requirement	Courses	Credit Requirements
Calculus	MATH 1300, 2300 (MATH 1310 also possible)	3 semester units or 4 quarter units
General Biology/Zoology (no lab required)	EBIO 1210, 1220	2 semesters (minimum of 6 semester units) or 3 quarters (minimum of 9 quarter units)
General Microbiology/Bacteriology (lab required)	EBIO 3400	3 semester units or 4 quarter units
General Physics (labs required)	PHYS 1110, 1120,	2 semesters (minimum of 8 semester units) or 3 quarters (minimum of 12 quarter units)
General Chemistry (labs required)	CHEM 1113/1114L, 1133/1134L	2 semesters (minimum of 8 semester units) or 3 quarters (minimum of 12 quarter units)
Organic Chemistry (no lab required)	CHEM 3311 or 3331	3 semester units or 4 quarter units
Psychology	PSYC 1001 or the equivalent	3 semester units or 4 quarter units
English Composition or Literature	WRTG 1150, 2090 or the equivalent	6 semester units or 8 quarter units
Statistics	MATH 2510	3 semester units or 4 quarter units
Human Anatomy* (no lab required)	IPHY 3410	3 semester units or 4 quarter units
Human Physiology* (no lab required)	IPHY 3430	3 semester units or 4 quarter units
Bio Chemistry (no lab required)	BCHEM 4611	3 semester units or 4 quarter units

\* Human Anatomy and Physiology lecture series may be completed one of two ways:

- Combined Human A&P (6 semester units or 8 quarter units)
- Separate Human Anatomy and Human Physiology (3 semester units or 4 quarter units each)
